**A note on our pricing:** Abode Farm is committed to food accessibility, meaning that everyone regardless of income has the right to nutritious food. We aim for balance in keeping food affordable, striving to provide living wages for our farmers, and caring for our land. This is why we are offering sliding scale shares and payment plans. A sliding scale means that members who opt to pay on the higher end are offsetting the cost for those who can only afford to pay on the lower end. We encourage you to pay according to your financial ability in order to make CSA shares available to those on a tighter budget. We ask that "Large" shares please not be split between multiple households. Thank you!

Please select the type of share you would like to purchase:
